We, the Senior Class of 1964, proudly present our edition of the PINE CONE. It has required much time, planning, and work but we feel that it is truly a record of our school year.

The Annual Staff is especially grateful to Mrs. Powers, the faculty, the students, and many other friends who have helped make this yearbook possible.

We are nearing the end of our high school days, but are nearing the beginning of our careers. In our future lives, we will have pleasant memories of our school days and of our many friends who have added meaning to our lives.

We hope that each of you will treasure your annual and that it will bring back many pleasant memories through the years.

Dearest Bruce,

It has been great going to school with you for the past few years. It seems we have only known each other, really, this year 6th period is typing.

I really enjoyed all the "love-letters" you wrote me in typing. You know, I think Mrs. Bixens enjoyed them too.

Bruce, it seems to me, you have a complex. You think no one likes you and that everyone is against you. You know, I think I'm getting to be a little like you. I'm beginning to hate this old world, too.

You have some funny ideas about things, but I can very well see your point.

Bruce, you are a real sweet, and cute boy, all kidding aside. You always seem to understand everyone's problems and never worry about your own. I hope I can be one of your best friends in the future and try to help you with your problems, and you help with mine. That's what friends are for. Stay as sweet as you ~~are~~ are, and you will always be happy.

Love ya!
Dad

Bruce,

It has been great going to
school with you the past years.
I only wish we could have
become friends sooner. You
are a real sweet guy.

May God bless you always.

See you next Good Luck

years.

Dear Bruce,

It gives me great pleasure
to write in your annual.
Always remember the good old
times we have had together,
I will. I wish you much
success in the future.

A friend always,
Joyce

Dear Bruce,

I would sincerely
like to wish you the
best of love, luck, and
happiness in the future.

You have a wonder-
ful personality and you
are a pretty good musician.
Remember the Talent show?
Have fun and be good.

Always,

Nanda Thompson

Dear Bruce,

It's been nice knowing you all these years.
I hope I'll know you many more years. I hope
you the best of luck.

I think you are a wonderful person. I have enjoyed knowing you these past years. I wish you the best of everything in the future.

Love,
Judy

P.S. Keep playing that trumpet and who knows maybe you'll be famous ! ! ! ! !

Bruce,

Man, you must really like blonde hair. You're an okay guy (I reckon!). Play the trumpet in the future as you do now and you will be successful

Susie

Dear Bruce,

May God be with you always and help you in all you do. You are a very nice person and are very well liked. (Which is not unusual) I know you will always be good in all you undertake which I hope is music.

Sharon

Best of luck always
to a nice boy. Jane

Dear Bruce,

It has been real nice knowing you these past few years, especially this past year. I hope it will remain so for many more to come, and I'm very sure it will!

May the best of everything come to an O.K. guy - Just remain as you are now and you will be a "great big" success in whatever you undertake to do throughout life.
